Frequently Asked Questions

Can parents watch rehearsals? Parents are welcome to wait in the CRT Downtown lobby or enjoy downtown Cortland. We kindly ask that parents not be in the rehearsal room.

Will my child perform in every show? This will be determined after casting. There may be two youth casts that perform on alternating days.

Will I be able to attend my child's performance? Each youth actor will receive two complimentary tickets to the run of *ANNIE*. Depending on seating availability, a parent who drives their child to a performance may be allowed to watch for free that day/evening.

Is this a paid opportunity? This is not a paid position. However, youth actors will work alongside professional performers, directors, choreographers, and designers—an outstanding opportunity to gain professional theatre experience.

Will I need to provide anything? CRT provides costumes and technical elements. Families may be asked to supply personal items such as makeup. If your child owns dance shoes, they may be asked to use them in rehearsal and performance.

We strongly recommend practicing with a Broadway Cast Recording, available on iTunes, Apple Music, Spotify, or YouTube.

Auditioners should be prepared to sing the song without lyrics in hand.

Audition Results

CRT will contact all auditioners by phone or email using the information provided, regardless of casting outcome.

Please note: Due to limited space and resources, CRT is unable to cast everyone. Not being cast does not reflect a lack of talent, and we encourage all performers to audition again in the future!
