ENJOY SAVINGS WITH A CRT SUMMER SUBSCRIPTION!

Since 1972, CRT has proudly delivered a vibrant mix of professional, high-quality productions each summer. By becoming an **Early Bird Subscriber**, you're not only saving money - you're also showing your support for another unforgettable season!

Early Bird Subscriber Benefits:

- Save up to 18% compared to single ticket prices!
- Reserve the same seats for every show in your subscription – or enjoy flexibility with a Flex Pass!
- Enjoy **free ticket exchanges** with 24 hours' notice (note: original seats not guaranteed with exchanges)
- Renew before **January 1, 2027** (at either Early Bird or Regular price) to keep the same seats from last year.
- Get exclusive access during **Subscriber Week** (dates TBA) to purchase extra tickets or make exchanges before sales are open to the general public.

PLEASE NOTE: Group sales are a vital part of CRT's summer revenue. To accommodate groups, we begin accepting their reservations during the winter months. As a result, substantial blocks of seats may be reserved before Subscriber Week, making those seats unavailable for Flex Pass reservations or subscriber ticket exchanges. Group bookings are especially common for Tuesday and Wednesday matinee performances. As you plan your summer attendance, we encourage you to have alternate performance dates in mind should your preferred performance have limited availability due to group sales. Thank you!
