Subscriber And Save!

Since 1972, CRT has proudly delivered a vibrant mix of professional, high-quality productions each summer. By subscribing, you're not only saving money, you're also showing your support for another great season!

Advantages of becoming a CRT Subscriber:

- Save up to 10% over single ticket prices.
- Have the confidence and comfort of sitting in the same seat every time you attend a performance.
- Enjoy free ticket exchanges, if given with 24 hours' notice. (Same seats are not guaranteed if exchanged.)
- Keep the same seats as last year, if renewed before **January 1, 2027.**
- Take advantage of Subscriber's Week, May 17 – 21, 2027. Purchase additional tickets or make exchanges before sales open to the public.

PLEASE NOTE: Group sales are a vital part of CRT's summer revenue. To accommodate groups, we begin accepting their reservations during the winter months. As a result, substantial blocks of seats may be reserved before Subscriber Week, making those seats unavailable for Flex Pass reservations or subscriber ticket exchanges. Group bookings are especially common for Tuesday and Wednesday matinee performances. As you plan your summer attendance, we encourage you to have alternate performance dates in mind should your preferred performance have limited availability due to group sales.
